*** The small print ... the Ts & Cs.** There is always small print because hey, we are lawyers, but we like to keep it straightforward: By 20% we mean 20% on pre-GST professional fees. By "this quarter" we mean 1 October to 31 December 2011. By "do business with us" we mean use our services, be charged for these and pay our invoices on time. This offer is available for all new clients referred to us by the Mimiki Foundation or by Mimiki supporters, who identify Mimiki as their referrer when they start using our services. And by new we mean clients who aren't already clients.
